with Jeannine Heller

Apr 23 & 30, 2022

2 – 5

Tuition: \$50.00

Pattern: Students must bring a pattern that fits them for redesign

Fabric/Supplies needed:

- Swedish tracing paper or Pellon 830 - enough to do several copies of the desired changes
- Optional: Drafting paper - Alphanumeric - (available at Bernina Connection)
- Soft lead pencil (no ink or sharpies allowed on classroom tables/cutting mats)
- Rulers, straight, curved (anything you have on hand)
- Pattern for redesigning and photos or sketches of desired changes
- Notepad/pencil to take notes/instructions on the redesign
- Wear undergarments that you will be wearing with the finished project & a smooth fitting top/bottom for accuracy in fitting newly designed pattern over body
- If hem length is involved, wear shoes/heel height that will be worn with finished garment

Bring to class:

- Sewing machine with power cord and foot control, cleaned and in good working order with a new needle
- Basic sewing kit to include: fabric marking pen or pencil, ruler, shears, pins and seam ripper

Pre Class Preparation:

- Select a pattern or design for redesign of an existing pattern - we can move dart locations, transfer a dart fullness to an existing seamline or create a new seamline, draft new sleeve styles, add pockets, etc.
- Select a pattern that you have previously made so you know it fits - if not, fitting takes extra time away from any restructuring of the pattern

Please wear a close-fitting mask over nose and mouth during the entire class, no exceptions.

By the Way: It is important to have all your materials before class begins and have your sewing machine set up and ready to sew. Our teachers make every effort to start on time and we want you to get full benefit of the class experience.
