

The Bernina Connection Materials List

My Bernina Machine Classes

My Bernina Machine Workbooks are used as a guide for all classes. When you purchase and pick up your machine at the Bernina Connection you will download a free Machine Workbook(s) from our web, www.berninaconnection.com/machine-mastery.htm. **You are responsible for printing out the appropriate workbook prior to class and bringing it with you to class.** It is suggested that you punch holes in the Machine Workbook and place it into a three-ring binder for ease of use. For every class you will need to bring your machine, all its accessories, the appropriate Machine Workbook and the materials listed below.

*Some exercises apply only to models equipped with the highlighted feature. Note: Please arrive early enough to set up your machine before class begins. Be sure to check in at the counter to get your name tag and kit. Classes are small, so please register early and cancel at least 24 hours in advance, if necessary. Classes must be paid for at time of registration. One-week cancellation notice required to refund or credit fees. No refunds for visiting teachers. Materials list is provided at time of registration. As a courtesy to others, please turn off cell phones during class. Loaner machines are available for \$10.00 rental fee at time of registration. You may bring your lunch (we have a refrigerator) or we will take lunch orders for a local restaurant at your expense. We do our best to make everyone happy but we're all on different "thermostats". You may want to consider bringing clothing layers which you can put on or take off to keep comfortable. Label all your equipment (rulers, scissors) to avoid mix ups.
