

DIVA Embroidery Club April 8, 2020 10-1 or 2-5

Stitch up a sewing mug rug for yourself or a friend. Choose from six different sewing themed applique designs.

The sewing mug rugs finish at 6" x 8" with a Bosal Mug Rug Craf-tex form.

Four Craf-tex double sided fusible 6" x 8" mug rug forms are included with the collection to get your project started.

I used these wonderful designs on my reversible Crisscross Apron.

I have combined the embroidery designs that can be used in the Jumbo Hoop or the full design in 2 oval hooping.

These individual designs can also be used on any project of your choosing.

It is a great apron pattern so you may just want to let your fabric or another embroidery design enhance the apron.

There is flexibility this month, so come and enjoy the morning/afternoon session with other Diva Embroidery Club members.

Supplies:

2 yards of fabric for apron.
sewing thread

Embroidery designs:

Assortment of Isacord thread to match selected fabric for applique patterns
Fabric for front and back of the sewing mug.

Embroidery machine with all embroidery accessories.
