Load designs onto a USB stick that your machine will read. If you have trouble with this, bring your designs to class and I will help you. Bernina embroidery machines use a Bernina USB stick or on that does not store more than 2GB.

By the Way: It is important to have all your materials before class begins and have your sewing machine set up and ready to sew. Our teachers make every effort to start on time and we want you to get full benefit of the class experience.
