Pre Class Preparation:

- Press fabric with Best Press spray
- Cut pattern pieces from fabrics and fusibles and **LABEL** them.
- Use fusible fleece for the zipper tabs, not foam
- You can cut the bag handles a little longer if desired (22" - 23")
- **Keep your pieces labeled!**
- Outer Bag End Pocket Stabilizer piece—cut foam or fleece 5.5" x 4"
- Quilt the inner bag and outer bag main pieces. may want to cut them an inch larger all the way around, then trim after quilting. Hint: it is easier to quilt all the way across on those pieces.
- The measurements of all the pocket pieces may not make sense—don't worry! They can be a bit confusing, so you can quilt those in class.
- **Keep your pieces labeled!**
- These steps are essential to making progress in class!
- Contact the instructor if you have prep questions.
